

EDGEWOOD PARK WEST

5 Sherwood Blvd. West

West Side

CITY OF
Lethbridge

This small open space and paved trail connects the Coachwood and Ridgewood neighbourhoods.

There is a small open space suitable for children to run and play. This park is used by those out for a walk through the neighbourhood or as a scenic route for regular exercise routines.

Trees in the park and in one spot in particular provide a beautiful canopy over the paved trail. This park is the ideal spot for those looking for a nice, quiet, relaxing walk. Sunny, bright and shaded - this walkway has it all.
