BACKGROUND

In the fall in 2019, City Council voted to create a compensation disclosure list on an annual basis. The information published includes the titles, salary ranges and information about pension and benefits provided.

To balance transparency with respecting the privacy of its employees, names and actual salaries are not published. There is no minimum threshold for salary disclosure.

COMPENSATION DATA

The list(s) included below were created using the following criteria:

- Rates are effective January 1, 2026 (unless otherwise stated)
- The exempt group reflects positions filled by employees who are presently active or on an approved leave as of April 2026
 - o Incumbents salary falls between the minimum and maximum base salary noted for each position
- The unionized rates are reflective of the rates in the appendix of each collective agreement and are updated when the collective agreement is updated
 - o Positions may be vacant, each position does not reflect an FTE
 - o There may be multiple incumbents in a single position
- Permanent (full-time and part-time) as well as temporary positions are listed
- Some salaries may include a premium, the premium is included in the listed salary
- Full time hours for all positions are 35, 37.5, 40 or 42 hours per week. Part-time positions are paid the equivalent hourly rate for each hour they work
- Benefits details and costs are applicable to all groups unless otherwise noted in the description
- This list is a point in time list and updated annually. Changes between updates aren't reflected until the next update. For unionized groups they are updated as the collective agreement is updated.

CITY OF LETHBRIDGE PENSION PLAN INFORMATION

The information on pension and benefits found below applies to the applicable employee groups, both exempt and unionized.

LOCAL AUTHORITIES PENSION PLAN (LAPP)

The Local Authorities Pension Plan is a provincial, multi-employer, defined benefit pension plan. The City is one of many public sector employers that participate in the plan. It is financed by member and employer contributions and by investment earnings. LAPP Corporation is the legal trustee and administrator of the Plan. A representative Sponsor Board is responsible for decisions about benefits and contribution rates. A fiduciary Board is responsible for carrying out these decisions.

All eligible City employees (except police officers) participate in the LAPP. Participation in the plan is mandatory for all full-time and part-time permanent employees. Non-permanent employees may be eligible to join the plan based on conditions set out within their respective collective agreement. LAPP provides a benefit of 1.4% of earnings up to the Yearly Maximum Pensionable Earnings (YMPE) and 2% of earnings over the YMPE, up to the Income Tax Act Salary Cap for years of LAPP service.

The City and LAPP plan members make contributions to the plan. Rates are reviewed annually and set by the LAPP Board.
