The Separate School Division combined the Catholic Central, St. Francis, and École St. Mary's School fields into one large open space with two distinct playgrounds. The open space and playgrounds are busy during school hours but are not widely used outside of school. There is plenty of parking on the east side of the site giving parents a great view of their children playing. The open space features an adult size baseball diamond and a child size soccer pitch.

Impromptu play on sports fields is permitted as long as the field isn't in use. Scheduled play on all sports fields must be pre-booked through Recreation and Culture.

Please note: dogs are not permitted on school or sports fields.
