Wilson Middle School Fields are comprised of a very large open space for sports and general play. The fields are well used and host many youth and adult recreational sporting events.

Impromptu play on sports fields is permitted as long as the field isn't in use.

Scheduled play on all sports fields must be pre-booked through Recreation and Culture.

Access to these fields is primarily through the school parking lot. However, there are chain link fence openings around the perimeter of the school.

Please note: dogs are not permitted on school or sports fields.
